

ESP WEBSITES TOP CATEGORIES

What is ESP Websites Top Categories?

ESP Websites™ Top Categories allows you to reserve a category in the drop-down menu located at the top navigation on our network of distributor e-commerce-enabled websites.

Why is it beneficial?

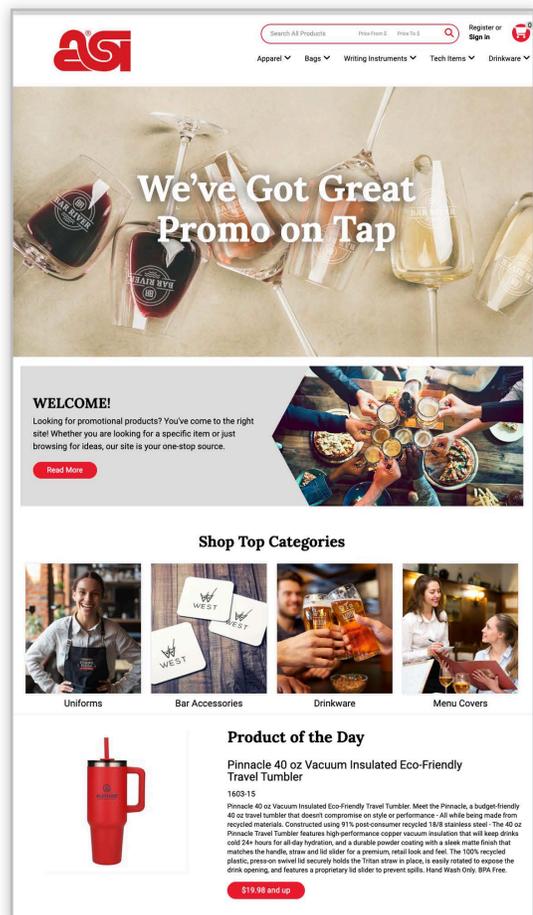

Top Categories on ESP Websites is great for quick exposure on these websites. End-buyers utilize top categories as a quick search outlet for inspiration.

Features Included

- **Once clicked, it takes the user to a search results listing of all of your products in the reserved category**
- **Placement on 13,000+ distributor e-commerce-enabled sites**
